She acts as SpongeBob's most trusted ally on their quest to stop the volcano from erupting, using her vast amount of scientific knowledge and brilliant inventions to aid the mission.

Karen the Computer (Soprano/Mezzo-Soprano): Glamorous, a robotic housewife of Plankton. She's been there for Plankton's every scheme and plot and has become jaded - she's been there and done that. Strong comic actress, as well as Singer and Mover.
