*Students should have successfully completed or be concurrently enrolled in ECE 141 and ECE 142 to be enrolled in ECE 121.

Please contact the Coordinator of the ECE and Education programs, Dr. Diane King at (618) 252-5400 ext. 2221 or diane.king@sic.edu or an Academic Advisor to register for classes or for any information about this Early Childhood Education Certificate.

SPECIAL FACILITIES: Southeastern Illinois College's Child Care Facility (Mary Jo Oldham Center for Child Study) for children, 6 weeks - 6 year olds, serves as a site for students enrolled in this Early Childhood Education Program to observe and to learn.

NOTE: All Early Childhood Education and Education courses must be completed with a grade of "C" or better to graduate with this Early Childhood Education Certificate.

STUDENTS are expected to have knowledge and experience of common computer software applications such as word processing, database, spreadsheet, internet and e-mail. If not, students should enroll in IT 119-3 Basic Applications their first semester.

ILLINOIS LAW requires that students enrolled in classes that involve interaction/observation with children must meet Illinois licensing requirements as enforced by the Department of Children and Family Services. Currently **all** ECE courses require interaction/observation. Students **must** 1) be electronically fingerprinted at a DCFS site; 2) have a physical exam, including TB test, showing that the student meets Illinois health requirements; 3) have three letters of reference on file; 4) provide instructor with a copy of college transcript and driver's license; and 5) sign additional paperwork that is provided during orientation before going on site. **All of these requirements must be met before entering class and receiving proper state and local forms.**

THIS PROGRAM is designed to accommodate students enrolled full-time or part-time, including those currently employed in Early Childhood settings.

OBSERVATION HOURS required for each course of this certificate are ECE 114: 5 hours observation/teaching implementation; ECE 121: 15 hours observation; ECE 141: 10 hours observation; ECE 142: 1-2 hours observation; ECE 143: 12 hours observation; ECE 214: 5 hours observation/teaching implementation.
