HOAE scores will be considered valid for two academic years. The HOAE test may be taken up to two times within one academic year, with the highest score used for determination of admission. Testing will be cross-checked between campuses. If an applicant has taken this test more than two times within an academic year, only the first two scores will be considered.

Sample questions for the HOAE test can be found by going to www.psbtests.com and clicking on Resources for Test Takers.
