PSYC 121	Intro Psychology	3
HIST 122	History of Western Civilization from 1648	3
HYG 121	Science of Personal Health	3
Total Hours		15

NOTE: Because of the sequence of design/lab courses in Architecture, the community college transfer student who has completed an Associate Degree (A.A. or A.S.) may require up to three years additional study to complete the Bachelor's Degree. Therefore, students should plan to transfer after one year of General Education requirements.

Consult an academic advisor for professional guidance to insure transfer to a senior college or university.
