

All applicable Federal, State, and local laws and ordinances pertaining to the possession, use, and transportation of bows and arrows will be observed on all property of the college. No permission granted by this policy will interfere with any and all such laws and ordinances. The possession, use, and transportation of bows and arrows are strictly prohibited on all college property with the exception of compound, recurve, and long bows used as part of lab activities and special events associated with the Southeastern Illinois College Archery Program. Arrows shall be restricted to using field tip points. The use of broad head points is prohibited. Targets shall be positioned no farther than 55 yards from the point of arrow release. Uncased bows and arrows are allowed on campus only in the gated restricted area east of the main campus buildings known as the SIC Archery Team Practice Range and only during times when duly authorized college personnel are on site. All local, State, and Federal laws and regulations apply when transporting bows and arrows in vehicles and when transferring bows and arrows from vehicles to the practice range, during which times bows and arrows must remain cased. Only students currently enrolled in an authorized program or officially recorded as active members of the college's competitive archer team and the respective instructors and coaches responsible for such programs or teams will be allowed to possess, use, and transport bows and arrows on college property for program or team activities. Such use will be strictly limited to activities to satisfy specific program requirements or to participate in competitive events.

If a special event is approved by the Board of Trustees which allows others to possess, use, and transport bows and arrows exclusively for the event, the college's instructions for the possession, usage and transportation of such items will be made known in writing to all participants prior to entering the college's property. This policy is enforceable by instructors, coaches, administrators and the security department of the college. Students, employees, and others found in violation of this policy are subject to criminal prosecution and/or college disciplinary sanctions.
