This curriculum is designed specifically for students transferring to an Illinois College or University for a four-year degree in Physical Education or for students transferring to a College or University out of Illinois but planning to apply for Illinois Teacher Certification upon completing their degree out of state. See the Secondary Education Transfer Curriculum in the catalog for specific courses required for Illinois Teacher Certification.

ALL EDUCATION MAJORS should apply to the 4-year College or University up to one year before they plan to attend. (For example: a student should apply during the Fall Semester before they plan to attend the next Fall Semester) and are advised to take the Test of Academic Proficiency (TAP) the fall semester of their sophomore year.

ALL EDUCATION MAJORS TRANSFERRING TO ILLINOIS SCHOOLS

1. Must earn a C or better in all courses in their major, endorsement area(s), and all Education courses
2. Must accrue 12 or more hours at the 300 or 400 level at a four year institution.
3. Must pass the Content Test before student teaching. The Assessment of Professional Teaching (APT) must be passed before finishing an approved program.
4. Must provide original copies of criminal background checks/fingerprints to the superintendent of the school district where he/she will be student teaching. For the nearest fingerprinting location and monthly schedule go to www.accuratebiometrics.com.
5. Must research the Teacher Education Program Entrance Requirements for the college or university where he/she plans to obtain his/her Bachelor of Science Degree for any additional requirements.

* The Coordinator of Education and Early Childhood Education will provide information on when and where the Illinois Teacher Licensure exams are given.
