Why SIC?

SUCCEED

SIC gives you the tools you need to succeed! Take traditional daytime classes in Harrisburg or Carmi, online classes, night classes, dual credit or early college classes. Tutoring and TRiO services are available to give you extra help for success, along with the new SIC Learning Commons!

INSPIRE

Small classes and innovative labs led by caring, highly qualified faculty means more opportunities for hands-on learning and engaging discussion.

CONNECT

The variety of clubs, organizations, and teams available to students means there's something for everyone! Get involved and meet other students from around the region and even the world!

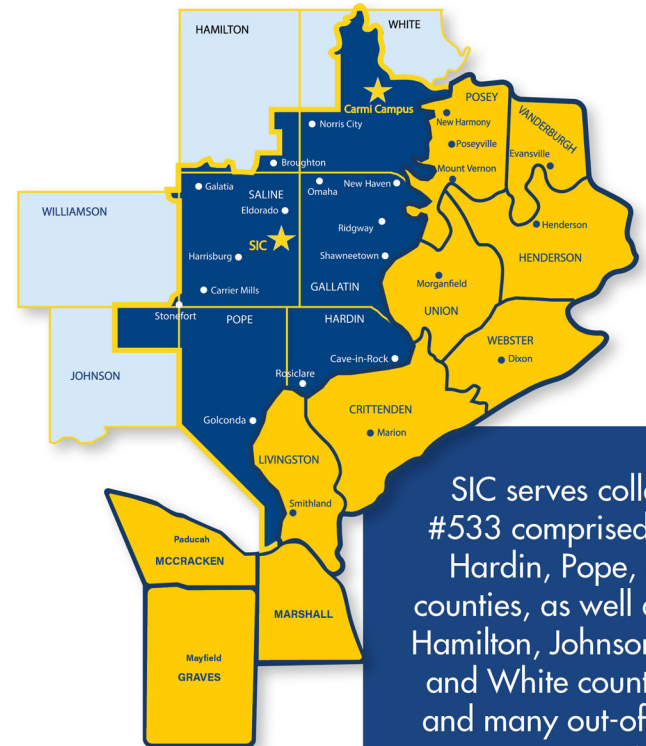

4,000
full and part-time
students enroll annually.

\$106
per credit hour making
our tuition among the
lowest in the state.

MORE THAN
70%
of students receive some
form of financial aid

SIC serves college district #533 comprised of Gallatin, Hardin, Pope, and Saline counties, as well as portions of Hamilton, Johnson, Williamson and White counties in Illinois and many out-of-state border counties.

MAKING SUCCESS HAPPEN SINCE

1960

From our humble beginnings at Harrisburg High School to our campus in Harrisburg and extension site in Carmi, SIC is a public, two-year comprehensive community college that has been educating students for more than 60 years.

17:1

STUDENT-INSTRUCTOR RATIO

At SIC, you are more than just a number. With our small class sizes, our instructors build close connections with their students and know them by name.

Academics

Whether you have recently graduated from high school or are looking to change careers, an education from Southeastern Illinois College will prepare you for your next path. With more than 50 degrees and certificates, you're sure to find the right program for you.

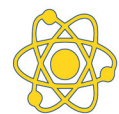

Going beyond SIC?

According to the American Council on Education, almost half of all students who earn a bachelor's degree first enroll in a community college. SIC offers more than 60 transfer programs including education, pre-medicine, pre-law, social work, and more. We are an affordable way to knock out your first two years of higher education.

Campus

Find support and fun in the Learning Commons!

SIC's Learning Commons is more than just a library. Designed to meet our students' wants and needs, you'll find a modern area to use for reading and relaxing with a faux fireplace and other lounging areas, places to charge your electronic devices like the cyberbar, games and puzzles that include a Lego station, virtual reality experiences, 3D printing opportunities, and more. Work on your homework in group meeting spaces, large collaborative workspaces with floor-to-ceiling whiteboards and screen-sharing monitors, or in solo study pods. You can also check out library books, find free tutoring, use SIC computers, print pages, work with a success coach, and find help for just about any student needs.

SIC cares about your mental well-being.

Need someone to talk to? How about a place to escape to when you need a mental break? SIC's licensed Mental Health Counselor offers free mental health resources for our students in our Chill Zone in B108. To schedule an appointment, please call (618) 252-5400 ext. 2523.

Need to refuel between classes?

Students rave about the food at SIC! The Falcon Bistro is open for breakfast and lunch and offers daily lunch specials, salad bar, lunchtime favorites, as well as healthy and sweet treats.

A favorite morning stop for many students (and falcons) is the SIC Bookstore Coffee Shoppe. Serving up Starbucks coffee daily, our menu features a variety of drinks and treats that you're sure to love. While at the bookstore, check out the latest SIC essentials or pick up supplies for class.

Get a life outside the classroom!

Make the most of the college experience by joining a student activity, club, or organization! Follow your passions and develop leadership skills while making lifelong friends and connections.

Paying for College

Wondering how you'll pay for your classes? We will help you find a way!

Southeastern Illinois College believes that regardless of your economic background, you should have the opportunity to pursue your higher education goals.

SIC's Financial Aid Office is dedicated to making higher education more accessible and affordable for our students and their families. Our staff is student-driven and strives to provide individualized attention.

We offer many types of financial assistance such as grants, scholarships, work study, and loans which are from many types of sources such as federal and state government. For convenience, we have several flexible payment options including making an online payment; setting up a payment plan; and payment by telephone, mail, or in person.

Scan or visit sic.edu/financial-aid to learn more about our grant and scholarship opportunities.

Tuition per Credit Hour*

2022-2023

In-District	Out-of-State Border County	Out-of-District	Out-of-State	Out-of-Country
\$106	\$106	\$180	\$172	\$188

**Subject to other fees. Tuition and fees vary based on program and number of credit hours. Anyone in a Career, Technical, or Allied Health Program will accrue additional costs due to added equipment and/or supplies needed. For more information on our tuition and fee rate, please visit sic.edu/financial-aid.*

Grants and Scholarships

SIC awards thousands of dollars annually through grants and scholarships, which do not have to be repaid. All grants are based on financial need, while most scholarships are based on merit. To apply for federal and state grants, you must complete a Free Application for Federal Student Aid (FAFSA) each academic year.

We offer more than 300 possible awards with only one application! Scan or visit our sic.edu/scholarships for the complete scholarship application process. The annual deadline to apply for scholarships is **February 28th**.

Free Textbooks!

SIC offers free textbook rentals for all students! On average, you'll save \$200-300 or more depending on the required textbooks for each class. Exclusions include, but are not limited to, one-time use books, ones that have a one-time use code in them, loose-leaf paged books, and lab manuals.
