2024-2025 Dependency Override Request

Section A- Student Information (Please print clearly)

Last Name	First Name	M.I.	ID #
-----------	------------	------	------

Street Address	City	State	Zip Code
----------------	------	-------	----------

What you should do:

1. Complete this entire worksheet. You must provide ALL required documentation, and the form must be SIGNED.
2. Please submit all documents at the same time as this form.
3. Please make sure to include your ID# on all documents.

If you are planning to attend Southeastern Illinois College during the 2024-2025 academic year and would like to be considered an independent student for financial aid purposes, you must submit a typed letter explaining in detail the dire circumstances between yourself and your parent(s). Per federal regulations, a parent's unwillingness to provide their financial data, a student's living arrangement, or the student's ability to support themselves financially do not constitute grounds for a student to be considered independent. **Approval of this appeal is not automatic or guaranteed. Appeals are considered on a case-by-case basis.**

Section B- Dependency Override Documentation

I have attached the following documentation (**please check all**):

- A typed letter explaining in detail the dire circumstances between yourself and your parent(s).
 1. Identify the location of both your parents.
 2. Describe the last time you had contact with each of your parents- when, where, and the nature of the contact.
 3. Explain why you cannot obtain parental information.
 4. Describe how you have been self-supporting: a) When did you start meeting your expenses without parental support, and b) how have you provided for yourself? (attach a current pay stub).
- Signed letters (on agency letterhead) from at least three professionals (i.e. high school counselors, therapist, clergy, police) verifying your situation.
- Appropriate documentation (i.e. court papers, police reports, documentation from social services agencies) verifying the circumstances mentioned in the appeal.
- Copies of the student's signed Federal Tax forms for the previous two years (2022 and 2023).
- Copies of the student's W-2 form(s) from the previous two years (2022 and 2023).
