

Success Starts Here at Southeastern!

Nathan Williams

**Media Director
Little Chapel Church**

**Education:
Southeastern Illinois College
Information Technology A.A.S.**

Why Southeastern Illinois College?

After completing my Associates degree in Applied Science Information Technology at SIC I immediately got a job at Little Chapel Church in Harrisburg Illinois as their Media Director. I have had this position for one year now and loving it! If it was not for the Information Technology program at SIC I would not be able to do the tasks at hand everyday at Little Chapel. Thanks to the great instruction in the Information Technology program, having the small class sizes, one on one attention, and hands on labs really helped and prepared me for the job I currently have. I do not know what I would have done if it was not for the Information Technology program at SIC. I would recommend this program to anyone who is interested in Information Technology.

**Call (618) 252-5400 extension 2319
or email scott.reed@sic.edu for
more information about how
Southeastern's Computer and
Information Technology programs
can start you on your road to success!**
