

Welcome to the Southeastern Illinois College Commercial Driver's License (CDL) Program, where our mission is to deliver quality education and professional training. With over 95 years of combined experience, our dedicated SIC staff is committed to providing accessible education and equal opportunity to all our students. Designed with your success and public safety as top priorities, our rigorous training adheres to industry standards, ensuring thorough preparation for a rewarding career in transportation. Our instructors are passionate about guiding and supporting you throughout your educational journey, striving to maximize your personal growth and learning potential.

To begin your CDL classes, you will need to meet the following requirements:

1. Valid Illinois Driver's License that does not expire within the next 12 months.
2. Copy of your driving record from the DMV
3. Birth certificate (for DMV)
4. Be at least 18 years of age
5. Obtain a DOT Physical
6. Ability to pass a drug screening within the first week of classes.
7. Payment or Payment plan in place two (2) weeks prior to the start of classes

These prerequisites are essential to ensure you are ready to embark on your new career path. **Please contact our Truck Driving Coordinator, Ricky Sauls, with any questions at (618) 252-5400, ext. 2248, on his cell at (618) 599-0473, or by email at ricky.sauls@sic.edu**

We look forward to supporting you in achieving your career goals in the transportation industry. Thank you for choosing SIC.
