**NOTE: American Heart Association Healthcare Provider CPR is required prior to clinical internship attendance. Certification must be valid through the end of the program.**

**Placement test scores are not required for this program.**

**FINANCIAL ASSISTANCE:** This certificate is payable by the PELL Grant (State and Federal Aid Funds). It is suggested that students in need of financial assistance for this certification contact the WIOA liaison located on campus in the Student Success Center in A145.

**AN APPLICATION FOR GRADUATION** must be completed in Enrollment Services (E103) to receive this diploma from Southeastern Illinois College and to have this certificate posted on your transcript. Also, a high school diploma or GED must be on file in the Records Office.

Internship Requirements:

- TB Skin Testing (Mantoux). Please make arrangements to have this done as soon as possible after registering for the Pharmacy Technician Prep course. This requirement must be met prior to clinical instruction. A two-step PPD Mantoux is required. TB testing for Saline County residents is free of charge. Out of county residents will be charged \$10-\$20\* at Egyptian Health Department.
- For TB skin and Hepatitis B testing contact: Egyptian Health Department  
TB Board  
1412 US 45 N  
Eldorado IL 62930  
(618) 273-3326  
\*Fees subject to change.

**CERTIFICATION EXAM:** Upon a successful completion of this course, the student will be eligible to apply for the ExCPT or PTCB exam. To be eligible to take the ExCPT or PTCB exam, a candidate must (1) be at least 18 years of age, (2) have a high school diploma or GED and (3) have never been convicted of a felony or had a health license/registration disciplined. Candidates are encouraged to read the Candidates Guide posted at (<http://www.nhanow.com/pharmacy-technician/excpt-candidates-guide.aspx>) for full information.
